Superannuating Officers above 55 years of age -

See Mysore Service Regulation Sec. 307
British ..... Sec. 503

See Mysore Government Proceedings dated 6th May 1898.

I think it desirable to lay down some more definite Rules on the subject. Our Mysore Service Regulations follow as regards all Officers the provisions of the British Code intended to apply to only the lower ranks of the Public Service.

In British India the general rule is -

(a) To retire a Covenanted or Military Officer after a certain age,

(b) To retain an uncovenanted Officer after a certain age

My dear Sir

Yesterday you were asked to draft an order to be returned by Lighter Vessels and then adjourned to 55th yds. I think you will consult the draft & all the Committee for their approval & Adoption. At any rate I would like to see it before it is passed for signature. For I have some doubts as to the policy of laying down a rule of practice from which Adams in Chatham &

My Dear Sir

I received last night a copy of the Journal of the 183rd Meeting of Council. There seems to be a mistake as regards the foot note in which it is stated that the Resn of Council on the method of dealing with Officers who are 55 yrs of age will be found with the next Journal. If I remember right after the matter was discussed in Council at the 182nd meeting no final decision was come to. The Secretary was to obtain certain instructions and asked you to draft an order

Secy.

My own impression is that the Council actually agreed to a Resolution in the terms I stated at the meeting and that what remained was only the draft by you in those terms -

But after Mr Member Chettiar says, by all means circulate your draft and if the text of it cannot be ~~finally~~ settled by such circulation, please bring the matter up ~~for~~ when the Council next meets

My dear Sir,

Your D.O. re foot note under the Council Journal of the 183d
ng.

At that Meeting I was asked if I had prepared the draft on the
ct. I replied that I had not done so for want of time. After some
sion the Dewan gave me the purport of the order to be drafted. To
st of my recollection nothing more was said on the subject. The next
u wrote to me a D.O. suggesting that the draft should be circulated
any rate that you would like to see it. I mentioned to this to the
and also attached your D.O. to the draft which I prepared and sub-
l to him. My impression is that there was no final decision of Coun-
l the subject. I am now writing to Mr. Sreekanteswara Iyer asking him
ng the above to the notice of the Dewan. I am also sending him your
of to-day's date. The draft of the Council Journal with a foot note
by the Dewan, came to me after the Dewan had left on tour.

Yours sincerely,

(Sd) V. Sreekanteswara

My dear Nanjeeba

Please see the above & the letter
D.O. enclosed. If I remember aright, the
draft which the Dewan said might be
circulated but which the Councillors

said he might kindly keep without
further reference to them, was the
draft resolution regarding "Remuneration
Deputy Charities" and not the draft
re revision of Superannuation
Rules. I beg to suggest that the
Letter be returned for consideration
in Council after the Darbar returns.

Yours Very Sincerely,
[illegible]

(2). Govt. Pro: No. 9050-82/P&A.1105 dated 10th Feby 97, delegating to certain Heads of Depts., and other officers the power specified in Clause(1) of Article 309 of the Mysore Service Regulations.

Order thereon.

The important question dealt with in the Proceedings read above, has again come up, before Govt., and has received their most careful consideration.

2 - As some misapprehension seems to exist regarding the scope of the rule embodied in Article 307 and of the orders of Govt. interpreting it, Govt., consider it necessary to lay down distinctly that the "efficiency" contemplated in the said rule does not mean physical fitness alone but also mental capacity, good moral character ~~and a due regard for public interests.~~ These in the opinion of Govt., should guide the decision of the question whether an officer who has completed the age of 55 years should be permitted to remain in service or required to retire. In

the case of non-gazetted ~~officers~~ subordinates, the Heads of Depts., and other officers named in the second of the Proceedings quoted above will continue to exercise the power delegated to them under Article 309 and it is hoped that in so doing they will take into consideration the nature of the duties appertaining to the appointment concerned and all that goes to make up efficiency in the official holding it.

Subject - Retirement of Officials after the age of 60 years -

In July 1898, the Deputy Comr of Kolar recommended that Raghavendrappa Head Gumasta of the Siddlaghatta Taluk who had passed 60 years of age, might be retained in service for a year more as he was strong and capable of further efficient service. The papers were submitted to the then Revenue Joint Sec Eastern Division with the remark that the proposal might be sanctioned unless it was intended that retirement at 60 should be made compulsory. On this the following order was passed -
